Dear Friends,

November is a time of gratitude for many of us as we celebrate Thanksgiving, and we reflect on the things we're most grateful for.

We at Intergroup are very grateful for the opportunity to provide vital services to the members of Broward County AA and most grateful for all of you and your continued sobriety. We have been serving this community for 63 years now, but expenses have risen significantly in recent years and we need your help to continue.

This year when you are making your tax-deductible contributions, please consider sending some much-needed money to Intergroup so that we can meet our budget and build up our prudent reserve. We have already made drastic cuts where possible, but our reserve is dwindling. We are currently locked in our lease for another year.

We wish you all happy holidays, and thank you for your support, as always.

God bless you,

Mary Saja, Coordinator
